Please note: The additional likely closure has been added because of the announcement during the Easter holiday that we will have a UK General Election after all. As this is confirmed it is most likely that we will be expected to be a Polling Station once again and as this had not been anticipated this year, works required to make Early Years a suitable venue have not been completed. This means, as for last year, the school will have to close.

Also **Key Stage 1 / Year 2 SATs** will run throughout May and June rather than in a specific week. This is because whilst the children will experience tests and tasks, the outcome is based on teacher assessment of overall performance rather than the outcome of a one off event.
