

## Remote Reading in Year 3 - 6!

Reading is key to your development – the more you read the better your vocabulary will be and your ability to express yourself!

We would like you to use Accelerated Reader (AR) to encourage your children to quiz at home. Each Wednesday our reading lead Miss Shepherd will look to see which children and classes have quizzed the most. The top quizzers will be announced in our celebration assembly and weekly newsletter!

Mr. Griffiths has put together a short video that explains how to quiz.

We have also been looking at more ways in which the children can access eBooks.

The quickest and easiest way is through your local library. Borrow Box, a mobile app can connect you through to your local libraries eBooks. If you are not already registered, it only takes 5 minutes to sign up for a library account!

You can also browse eBooks on a computer through this website -

**The more that you read,  
the more things you will know.  
The more that you learn,  
the more places you'll go.**
