

This half term in History we are learning all about the Anglo-Saxons and Scots.

For your project you could have a go at creating something that will further your knowledge of the work we're doing in class. Here are some ideas for what you could do, but please be as creative as you would like!

You could:

- Create a **model** of an Anglo-Saxon settlement.
- Make a piece of Anglo-Saxon **jewellery**.
- Write a shape **poem** or a **song** about the Scots.
- Create a **fact file** detailing all you know.
- Create a **PowerPoint presentation** or **video** or **scratch programme**.
