## A new play area for Millwall Park

A consultation held last year showed that people want a larger play area in Millwall Park offering fun and adventure for both younger and older children. The new plans will improve the existing site close to the arches by making some changes to the layout including new planting, improvements to paths and new play equipment for all age groups. We will be in Millwall Park near the Island Gardens DLR entrance on **Saturday 17<sup>th</sup> October from 12 to 4pm** if you'd like to talk about the plans, or If you would like to find out more, please email [park.projects@towerhamlets.gov.uk](mailto:park.projects@towerhamlets.gov.uk) or call 020 7364 5227.
