

Tower Hamlets parents and carers are invited to the next Parent and Carer Council Meeting being held on

**Saturday 2 July 2022, 10.45am to 12.30pm
Online via Zoom (waiting room open from 10.40am)
Book your place [here](#)**

Parents and carers are welcome to come along to the [Parent and Carer Council](#) (PCC), listen to other parents and key speakers and give their views about services that are available to parents across the borough.

It is also the best way to get involved with local consultations, help us identify gaps in support for families (in education, health or parenting), and discuss national issues that may also affect parents locally.

The Summer term 2022 meeting will give you the opportunity to:

- **Meet the Divisional Directors for Education and Supporting Families** (two divisions within the Children and Culture Directorate of the Council)
- Find out about the **Family Hubs programme** and how the services available can support your family
- **Share your views on your experience of finding and using childcare in Tower Hamlets**, barriers you have faced, how your needs are being met and the impact of COVID-19 on childcare, whether your child is under 5 or 13 years old. We also want to hear your ideas on what could be done to improve childcare.

Also hear from fellow PCC parents on community events and news to support your family, plus feedback from previous meetings.

Book via the Eventbrite link [here](#). The Zoom link to this meeting will be emailed to you two days before and again two hours before the meeting begins.

For more information, email parentcouncil@towerhamlets.gov.uk or call the Parental Engagement Team on 020 7364 6049
