

We are delighted to be supporting the NSPCC by taking part in **Number Day on Friday 4th February 2022**. The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

- We are having a fun day of maths activities and we will be taking part in ***Dress up for Digits***.
- This will be a non-uniform day, but pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get creative by dressing in a maths theme.
- To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we’d love everyone in the school to take part in this special event.

We’re really looking forward to all the fun of Number Day, and we really appreciate your support!

Number Day 2022

IT'S MATHS, BUT NOT AS YOU KNOW IT.
