Summer 2 Homework

Year 4 Project Homework

Our topic this half term is Brazil.

We would love the children to do their own research about Brazil and create a project that focusses on something they are interested about.

It could be about carnival, Christ the Redeemer, the Amazon the choice is theirs as long as it can be linked to Brazil.

They should think about creating a picture, PowerPoint, information booklet or model. We will share the projects on the last 2 days of the half term so please make sure they have something they can share in the session.

Additional optional English and Maths homework will be set on Wednesdays,
If you wish to receive this and **are not already** please let us know!

Many thanks,

Team Year 4
