Dear parents and carers,

I hope this newsletter finds you well, as we come to the end of the Spring term. I would like to extend our good wishes to those families who will be observing Ramadan this month. This week, I would like to update you on the following:

Value of the week

The value we have been focusing on this week is **kindness**. Earlier in the week, I led a collective worship about how each of us is special and unique, and how we should celebrate and value the differences between us, rather than they be a cause of conflict. The children responded with such kindness and compassion, particularly in how they could show an act of kindness this week. It was then a real pleasure to celebrate this value in collective worship this afternoon and to hear staff share heart-warming stories about how children had been kind to others this week. As always, a big well done to all those children named!

Dressing up clothes for Nursery

Our Nursery team are always looking to ensure that children have a wide variety of dressing up clothes to play with. If you do have any clothing items of this nature to donate, we would be very grateful to receive them. Please drop them off in the main school office. On that note, I would like to thank you all those parents who very generously donated toys to our Early Years a few weeks ago.

Staffing update

As you will probably be aware, Ms. Chandler begins her maternity leave after Easter. However, she will not be returning after her maternity leave as her and her family will be moving out of London. I would like to take this opportunity to extend our enormous thanks to Ms. Chandler for everything she has done during her time at St. Luke's to support the children in her care, and I am sure you will join me in wishing her all the very best for the future.

I am also starting my maternity leave, and won't be back in school after the Easter holidays, so this leaves me to thank you for all your support this year and to wish you all a very safe, relaxing and enjoyable Easter holiday.

With best wishes,

Cristina King
