GENERATION EARTH SHOT:

To help save the His Majesty Earth Prince Williams has met with a few children to discuss an affective to way to help the planet. In addition, the Duke of Cambridge has launched a new competition to try and inspire people to solve "some of the world's greatest environmental challenges".

He has also spoken to Sir David Attenborough about his plans and hopes for Earth shot, as well as his father the Prince of Wales.

"The Earth is at a tipping point, and we face a stark choice: either we continue as we are and irreparably damage our planet or we remember our unique power as human beings and our continual ability to lead, innovate and problem-solve," he said

"I HOPE THERE'S NO MORE FIGHTS AND VIOLENCE":

In August of this year millions of Afghan people fled their country, hoping to find somewhere to start a new life after the Taliban's takeover of Afghanistan.

Around 2.2 million left for neighbouring countries while 3.5 million people were obliged to abandon their homes within Afghanistan's borders.

All About The Taliban (Extract from Google)

The Taliban emerged in 1994 as one of the prominent factions in the Afghan Civil War and largely consisted of students (talib) from the Pashtun areas of eastern and southern Afghanistan who had been educated in traditional Islamic schools, and fought during the Soviet–Afghan War.

MARTIN LUTHER KING DAY: WHY DO PEOPLE CELEBRATE IT?

Martin Luther King Jr. Was a social activist and Baptist minister who played a major role in the American civil rights movement from the mid-1950s until his assassination in 1968. King was awarded the Nobel Peace prize in 1964 and is remembered on each Martin Luther King Jr., day. Which is a federal holiday since 1968

He also wrote the well written speech 'I have a dream' : (From Google)

"I have a dream that one day every valley shall be engulfed, every hill shall be exalted, and every mountain shall be made low, the rough places will be made plains and the crooked places will be made straight and the glory of the Lord shall be revealed, and all flesh shall see it together. This is our hope."

WHAT IS BLACK HISTORY MONTH?

Black History Month is a month where people remember and celebrate the Black History.

It's also a month where Black people remember their great-great-great-great ancestor and what they sacrificed for them.

They especially focus on people who fought so that the future generation would live freely.

Many many years Black people were enslaved and were owned by what we now call

colonists. As the countries that were full of colonists such as Dutch, Portugal, America and United Kingdom, France, Danish, evolved from

colonising most of African countries they changed the rules as to make the Black people stay. But they were still unfair, so gradually

the movement to Freedom evolved. Many great people such as Nelson Mandela who went to prison multiple times for fighting for Black

people's freedom, Martin Luther King who fought for civil rights until his assassination,

Ida B Wells was an American investigative journalist who was an early civil rights leader

and Constance Baker who was the key

strategist of the civil rights movement. So

every October we remember to remember

them and be thankful for living in a

democratic state.

900-YEAR-OLD SWORD FOUND AT THE BOTTOM OF THE SEA:

A 900-year-old sword has been found at the bottom of Israel's Northern coast by an amateur diver. It is said to have belonged to a knight who was part of the crusades. The Crusades was the name given to military expeditions by the Christian armies between the 11th and 13th centuries to retake control of the Holy Land, which roughly aligns with the location of modern Israel.

ENGLAND EARN STADIUM BAN AT THE EURO 2020'S:

The Uefa- who govern European football matches - handed out a ban as a punishment for "the lack of order and discipline inside and around the stadium" for the game.

The ban will be in place for England's next home game in a Uefa competition, which will be in the Nations League next June.

Uefa also imposed a ban for a second game, which is suspended for two years.

The FA said: "Although we are disappointed with the verdict, we acknowledge the outcome of this Uefa decision."

GOOD FOODS: BY KAYLEIGH (5B)

I personally preferer food like pizza, milkshakes and French fries but those aren't very healthy food, so I try to have a balanced diet.

Personally, I think you should treat yourself occasionally my personal favourites are:

Spaghetti Bolognese
Bacon Cheeseburger
Pizza (It has Cheese)
Banana Pancakes
Cheesecakes
Meringue Molade
Dark Chocolate
Boiled Potatoes
Spareribs
French Toast and more.

Foods like eggs, avocado and carrots tend to make your skin fairer naturally and they are also healthy foods.

Cabbage detox soup is also advised.
