

La Escuelita de Español

Our Spanish after school club welcomes all children from KS1 and KS2 to the Spanish Speaking world.

Our teaching ethos is to teach children Spanish in a fun, loving and dynamic environment. In order to acquire a powerful tool to compete in the real world.

Spanish language is widely spoken these days around the world. And it is not only spoken in Spain but also in 20 countries of Latin America. Spanish is the second widely spoken language just after Chinese, and our children would get benefited with the knowledge of a new language and different cultures.

Our aim is to teach children how to have a conversation with correct grammar and a grand variety of vocabulary and expressions used in different Spanish speaking countries. In order to do that, we will provide excellent tools and resources to help us teach a new language to young children.

La Escuelita de Español

We will have fun activities and games to motivate and immerse the children fully into Spanish. Therefore, their reading, writing, listening and speaking skills will develop. Nonetheless, the classes will be constructed with a solid structure, organisation and coordination in between the lead teachers.

Alpha Martell-Gamez has a broad teaching experience not only at primary school level, but also she has taught and done extensive research in different universities in Mexico, Spain, U.S.A. and the UK. Having a PhD in Social Science with specialty in International Migration and Social Policy has helped her to discern about different cultures and also understand how diversity can bring to our world lovely, useful and rich elements to learn from. She is also a parent at St. Luke's Primary School.

Cristina Barbado is a primary teacher with specialty in Modern Foreign Languages. She holds valuable experience teaching in Spain and in the UK. For several years, she has taught English as a Second Language as well as Spanish as a Second Language to children and adults. She is currently a Year 2 Assistant Teacher at St. Luke's Primary School.
