

Last year our school made **£260.53** from [easyfundraising.org.uk](http://easyfundraising.org.uk) with just a handful of parents using it. It's a really easy way to raise money for our school.

### What is easyfundraising?

Easyfundraising is a free service that allows people to shop directly at their favourite online store via the links on the [easyfundraising.org.uk](http://easyfundraising.org.uk) website and raise a donation for the school cause once a purchase is made.

Donations can be up to 15% of the value of your purchase, depending on the retailer and the item purchased. There are thousands of stores that are already participating with brands such as Amazon, eBay and Argos making it one of the easiest fundraising ideas for schools.

### How does it work?

Easyfundraising turns your everyday online shopping into free donations for your favourite cause. Just start your online shopping at [easyfundraising](http://easyfundraising.org.uk), shop as normal, and then retailers make a small donation to say "thank you".

They have 3,751 retailers to choose from and have raised over £28 million for thousands of charities across the UK!

### How to do it in three easy steps:

1. Register yourself with [easyfundraising.com](http://easyfundraising.com), they have a handy app too you can download
2. Select **St Luke's Primary CoE Primary School E14** as your cause
3. Start shopping!

Instead of going directly to the retailer's webpage, go to [easyfundraising](http://easyfundraising.org.uk) first and click on the retailer you want to shop with
